

## MADRONA CLEAN-UP RESCHEDULED

The Madrona Clean-up has been scheduled for mid-September. The change was necessary in order to allow the Home Tour to include spring gardens in this year's tour. Remember, the City will now pick up yard waste if you have signed up with them for that service.

## CRIME PREVENTION HOTLINE — 325-BUST

The East Precinct Crime Prevention Coalition has instituted a community hotline for citizen complaints about crime problems in the Central Area. Call the Crime Prevention Hotline 24 hours a day to report problems with drug activity, graffiti, abandoned cars, or anything that is causing a crime problem in our neighborhood. Anonymous tips are welcome, as are calls for information or to volunteer.

The East Precinct Crime Prevention Coalition meets the second Tuesday of every month at CAMP, 722-18th Avenue.

## NEW PROGRAMS AT MADRONA LIBRARY

The Madrona Sally Goldmark Library has expanded its hours effective Feb. 27th to increase its services and allow the library to begin its new SPLASH (Seattle Public Library's After School Program). SPLASH is a program of afterschool activities for school age children between 6 and 12, who are on their own after schools close. Children's Librarian, Janet Hogan, has already taken up residence at the Madrona Library and hopes the SPLASH program will supplement other community services and remain responsive to community needs and interests of the children. SPLASH will be open from 3 to 7 p.m. For more information, or to help with the program, stop by the library and meet Janet.
