Newsletter Of The Madrona Community Council

Member of Seattle Community Council Federation

Notes from the President by John Capps

The summer was long and peaceful, the cycling championship was a lot of fun and raised some money for council projects, the Madrona Beach Enhancement Project looks good, City Light and the Madrona Community Council are working on planting some trees on 29th, 30th, and 31st Avenues.

I would like to talk to you about how the money we raise is spent. The majority of the funds raised goes into postage and printing of the community newsletter. We normally make a couple hundred dollars at any of our special events, but we don't undertake events like MayFair trying to make a lot of money. MayFair is primarily for children, though we do try to break even. Our Treasurer has prepared a report which shows that all of last year's fundraising went towards the newsletter and we still did not cover all expenses. We are still relying on the funds raised from the successful home tours that the community hosted several years ago. The Board and I would like to encourage you to send in a donation to support the newsletter and your community. Please send whatever you can, \$1, \$5, \$10 or \$20. These donations will be used for the Madrona newsletter only. Send contributions to Madrona Community Council Treasurer - Newsletter Fund, 1613 Grand, Seattle WA 98122. If you enjoy receiving the newsletter complete the form on page 3 and mail your contribution.

I encourage everyone to attend the next Community Council Program Meeting when we will get an update on our exciting Madrona Beach Enhancement Project and will have annual Community Council Board Elections. See you there!

Madrona Beach Enhancement Project Makes Great Progress by Kathleen Roark

Concrete Out, Sand and People Friendly Beach Moves Closer! The community has given a strong positive response to the Madrona Beach Enhancement Project at Madrona Park. Many people have donated cash and hours towards making this idea a reality. Although the project is on schedule, there is still much to do. For an update on the plan, the status, and how you can help in the future, please join us at the next Program Meeting of the Madrona Community Council on September 27th, 7:30pm, at St. Therese Gym, 900 35th Avenue. The latest drawings of the project will be available for viewing.

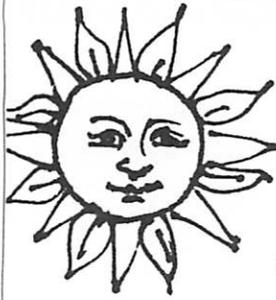

Watch for information about the walkway tile project. It will involve neighborhood children working with Madrona artist DeeDee Rainbow and Monad Elohim. You will be notified later on how to enroll your children, but if you wish to be involved in developing the tile-making part of the project, call Kathleen Roark, 324-8497, afternoons or evenings.

Donations can still be sent to Ingrid Beach, 213 Erie Street, Seattle, WA 98122. Donations are tax-deductible. Pledges of time can also be sent to Ingrid.

Holiday Arts and Crafts Festival *Avoid the Malls and Freeway Traffic! One Stop Shopping! Find everything you need for holiday gift giving right in your own neighborhood.*

The Second Annual Madrona Holiday Arts and Crafts Festival, sponsored by the Madrona Community Council will be November 5th and 6th at the Madrona Elementary School. and will be open from 10am to 4pm on both days.

The Festival last year featured over 70 artists and crafters displaying and selling their quality merchandise, including jewelry, windsocks, stuffed animals, toys, ceramics and pottery, clothing for the entire family, handmade paper and cards, dried floral arrangements, and decorations for the home. We can look forward to these and many more items at the Festival this year. Espresso, Italian sodas, and food will also be available. Booth spaces are still available for artists and crafters for only \$35.00 each.

Anyone can join in the fun of this fantastic neighborhood event. As always, volunteers play a vital role in the success of this community activity. You can help without a large investment of time. You can:

Help make banners or signs; help distribute flyers to school, work, businesses, churches, etc; help with the raffle donations and/or ticket sales; loan a stereo system for holiday music; assist with set-up and clean-up; help with sales and information at the Community Council booth.

For information or to volunteer, please call Terry Scaccarotelli at 329-3556.

**News from the Madrona
Sally Goldmark Library** *by Nancy Pew*

Bench and Tree - Thank you to the Madrona Community Council for the gift of a lovely bench, magnificent dawn redwood tree and native plants last summer. The library appreciates this wonderful gift and the support the community gives the library.

Rock and Road - Storytimes for children 3 to 9 years old are presented on Saturday afternoons from 3-3:30pm. Volunteer Zelda Foxall is our special story reader.

Storytimes - Children six and under are invited to enjoy stories, rhymes and crafts at 10:30am on Wednesday mornings in October.

Portable Toilet - Why is there a portable toilet outside the library? The library restrooms will be remodeled to meet ADA guidelines for wheelchair access. The port-a-potty will provide facilities during construction. Exact dates for construction have not been set.

Volunteers - Children here need caring adults and teenagers to help with homework, games and crafts during our SPLASH program on weekdays from 3-5:30p. If you would like to help, please call Nancy Pew (684-4705) at the Library. This is also a great opportunity for high school students and for those who may have a service requirement for school.

The staff at the Madrona Sally Goldmark Library look forward to helping our neighbors find information and library materials this fall.
